

New Call for Submissions from Adolescents and Adults with FASD

8th International Research Conference on Adolescents and Adults with FASD

Review, Respond and Relate

Integrating Research, Policy and Practice Around the World

April 18-21, 2018 | The Hyatt Regency Vancouver | Vancouver, BC, Canada

DEADLINE: MARCH 23, 2018

The Adults with FASD Leadership Committee for the conference recognizes how important it is to give time and attention to the experiences and stories of teens and adults with FASD, especially to those who are not able to attend the conference. This year, they have added new ways for everyone to share their opinions, experiences, talents and abilities.

Call for Poster Submissions: "This Is Me"

"This Is Me" is a poster format presentation that will showcase the work of teens and adults who have FASD. We invite individuals with FASD to share photos, poetry, artwork, written personal stories, crafts, opinion pieces (what you think about something that is important to you or to others), ideas for change, and any other topic or idea that can be displayed on a poster. These posters will be exhibited at the conference and everyone attending will be able to see them.

FASD Marketplace

This year, the conference is also looking to provide a marketplace area for teens and adults who wish to sell art and craft products they have made. Sellers are responsible for their own items. If you wish to sell your work, please contact Cynthia at cynthia.ipce@ubc.ca or at 604.822.7524 ahead of time so that a space can be arranged for you.
