GENERAL INFORMATION

A National Forum on Cancer Care for All Canadians

*Improving Access & Minimizing
Disparities for Vulnerable Populations*

Purpose:

To prepare an action plan for improving access to culturally competent quality cancer care for **all** Canadians.

Description:

This national forum will bring together leaders from all levels of government, academia, public health, mental health, minority-serving institutions and communities, to advance key issues and opportunities for improving minority access and minimizing disparities. The following themes will be addressed: 1. Access: Service Utilization and Quality Care; 2. Systemic Cancer Care and Health Care Providers; 3. Research Methods, Data and Evaluation.

Objectives:

- To provide a forum for sharing what works! strategies and interventions on cancer care from around the world.
- To identify actions to be taken by Canadian policymakers to improve and enhance current cancer care in Canada.
- To form a national/international community of practice for equitable cancer care and research.

Who Should Attend:

This interdisciplinary forum will be of interest to the following audience: counsellors; cultural brokers; educators; ethicists; family physicians; health system administrative/managers; interpreters; nurses; occupational therapists; oncologists; patient/caregiver advocates; physiotherapists; psychiatrists; psychologists; policymakers; researchers; social workers and other interested health care professionals and community organizations.

Credits

All participants attending will be given a certificate stating the number of educational instruction hours. Specialized credits will be applied for from several professional organizations. Please refer to our website for updates: www.interprofessional.ubc.ca

Bursary

There will be a limited number of Canadian bursaries available. Please submit a letter with your registration, indicating which organization you belong to, describing your financial need as well as how your participation would benefit you and your community.
