GENERAL INFORMATION

Background

The conference will look at the progress that has been made since the first 'Where's the Patient's Voice?' conference was held in Vancouver, Canada in 2005.

Description

The conference is about practice, innovation and theory that embed the patient/client/service user voice in health professional education. It is an opportunity to share examples of how health professional education can be enriched by patient involvement. Over three days, participants will present examples of collaborative projects between educators and patient/community groups and examine the outcomes of these partnerships for faculty, patients, students and the learning environment.

Audience

The conference is international and interprofessional in scope. Interested professions will include: medicine, nursing, midwifery, physical therapy, occupational therapy, pharmacy, kinesiology, social work, dietetics and other health disciplines. Participants and presenters will include:

- | | | |
|------------------------|--------------------|---|
| • Community organizers | • Patients/clients | • Service users/carers |
| • Educators | • Policy makers | • Students (undergraduate and graduate) |
| • Family members | • Practitioners | • Trainees |
| • Patient advocates | • Researchers | |

Exhibitors

Limited exhibit space is available for organizations related to patient's voice. For more information, please contact Sandeep at +1-604-822-7524 or sandeep.ipce@ubc.ca.

Location

The Coast Plaza Hotel and Suites, 1763 Comox Street, Vancouver, BC, Canada V6G 1P6. Reserve today to avoid disappointment by calling toll-free: +1-800-716-6199 or local: +1-604-688-7711. Let hotel reservations know that you are booking under the *Patient's Voice Conference* room block to receive the reduced rate of CDN \$139.00 (plus applicable taxes) for a standard guest room. The Coast Plaza is within easy walking distance of world famous Stanley Park, the beaches of English Bay, and a wide variety of restaurants.
